Introducing Sapient Press!

Sapient Press is an American-based open access publisher of peer reviewed academic journals that cover a broad range of social science (business, economics, etc.) and education related disciplines. Sapient also offers conferences organized to facilitate the sharing of collective research.

For more details, please visit: www.sapientpress.com!

Editors / Reviewers Requested

Sapient Press is currently seeking editors and reviewers to assist with the publishing of our three journals. This opportunity is especially geared towards new professors and PhD holders looking to broaden their experience and build their resumes. If you have academic experience in social science fields related to business or economics or education-based fields such as TESOL, language instruction or linguistics, please contact admin@sapientpress.com.

Call for Publishing!

Sapient Press welcomes the submission of original manuscripts that relate to a broad range of business, economics and other social science related disciplines as well as topics related to teaching, education and language learning. Manuscripts should meet the general criteria of significance and scientific excellence. Sapient Press will publish articles in basic and applied research and case studies. Visit the site for more information.

We invite you to submit your manuscripts to editor@sapientpress.com for publication in one of our family of academic journals.

Featured Paper: [A Literature Review: Current Issues in Listening Strategy Research and Instruction on ESL Adult Learners](#)

The article, A Literature Review: Current Issues in Listening Strategy Research and Instruction on ESL Adult Learners, written by Guan Yi, and published in the *International Journal of Teaching, Education and Language Learning* is our featured paper for the season. This article discusses current issues in listening strategy instruction research that affect teachers and learners of second or foreign languages. To read, check out Sapient's Journal Archives for IJTELL at: www.sapientpress.com/archives.com

Featured Website: [ERIC—Education Resources Information Center](#)

The Education Resources Information Center (ERIC) is an online digital library of education research and information from journal and non-journal sources. ERIC provides access to 1.5 million bibliographic records of journal articles and other education-related materials, with hundred of records added every week.
