Introducing Sapient Press!

Sapient Press is an American-based open access publisher of peer reviewed academic journals that cover a broad range of social science (business, economics, etc.) and education related disciplines. Sapient also offers conferences organized to facilitate the sharing of collective research.

For more details, please visit: www.sapientpress.com!

Sapient Press News

- **New Journal:** Sapient will be launching the *International Journal of Teaching, Education and Language Learning* in August, 2014. This journal will focus on articles related to education and instruction.

- **Discount Pricing:** The new summer discount pricing of \$100/article is currently in effect.

Call for Publishing!

Sapient Press welcomes the submission of original manuscripts that relate to a broad range of business, economics and other social science related disciplines as well as topics related to teaching, education and language learning. Manuscripts should meet the general criteria of significance and scientific excellence. Sapient Press will publish articles in basic and applied research and case studies. Visit the site for more information.

We invite you to submit your manuscripts to editor@sapientpress.com for publication in one of our family of academic journals.

Featured Paper: Reforming Korea's Migration Policy

The article, Reforming Korea's Migration Policy, written by Soojin Kim, and published in the *International Journal of Knowledge and Innovation in Business* is our featured paper for the season. This paper seeks to highlight the emergence and evolution of the migrant worker in the Republic of Korea, discusses consequences and implications for Korea's continued migration policy and makes recommendations for reforming Korea's migration policy. To read, check out Sapient's Journal Archives at: www.sapientpress.com/archives.com

Featured Website: fDi Intelligence

The *fDi Intelligence* website is a division of the Financial Times Ltd. This website provides a full suite of information, news, reports and data relating to foreign direct investment and investment promotion. The site also provides access to targeted foreign investment information and tools to access them.
