Introducing Sapient Press

Sapient Press is an American-based open access publisher of peer reviewed academic journals that cover a broad range of social science (business, economics, etc.) and education related disciplines. Sapient Press also offers conferences organized to facilitate the sharing of collective research.

For more details, please visit: www.sapientpress.com!

Call for Papers!

Sapient Press welcomes the submission of manuscripts that relate to a broad range of **business, economics** and **language learning** disciplines. Manuscripts should meet the general criteria of significance and scientific excellence. Sapient press will publish original articles in basic and applied research and case studies.

We invite you to submit your manuscripts to editor@sapientpress.com for publication in one of our family of academic journals.

Upcoming Special Editions for Graduate Student Papers

Due to overwhelming demand, Sapient will be offering special editions of their journals as forums for graduate student publishing. If you are a masters or PhD level student and looking for a venue for your manuscript, please consider one of our journals. For more information, contact editor@sapientpress.com.

Featured IJTELL Education Paper: Interesting Counts: Writing for Readers

Our featured IJTELL article was written by Jonny Bahk-Halberg, Ph.D. The article, "Interesting Counts: Writing for Readers," was published in the *Intl. Journal of Teaching, Education and Language Learning*. The article, based largely on interview data, investigated teachers' practices and students perceptions related to raising EFL student-writers' awareness of audience.
