### Introducing Sapient Press

Sapient Press is an American-based publisher of peer reviewed academic journals that cover a broad range of business, economics and other social science related disciplines as well as offers conferences organized to facilitate the sharing of collective research.

Founded in November of 2013, Sapient Press is offering two initial journals, the International Journal of Business Knowledge and Innovation in Practice and the International Journal of Knowledge and Innovation in Business. These journals will serve the academic community by assisting in the exchange of knowledge, perspectives and experience. The quarterly journals will release their first editions in December of 2013 and January of 2014, respectively.

### Call for Papers!

**Sapient Press** welcomes the submission of manuscripts that relate to a broad range of business, economics and other social science related disciplines. Manuscripts should meet the general criteria of significance and scientific excellence. Sapient press will publish original articles in basic and applied research and case studies.

We invite you to submit your manuscripts to [editor@sapientpress.com](mailto:editor@sapientpress.com) for publication in one of our family of academic journals.

Guides to authors and other details are available on our website at:

### Editors and Reviewers

Sapient Press is seeking energetic and qualified researchers to join its editorial team as editors, subeditors or reviewers. Please send your resume to [editor@sapientpress.com](mailto:editor@sapientpress.com).

### Featured Website: ResearchGate.com

In 2008, three German co-founders launched a social networking site that specifically targets the academic community.

Through this community, researchers collaborate with their peers on a global scale and are able to share their papers, ask questions, and even find academics world-wide who share similar research interests.

There are over 3 million members of this community across the globe.
